MISCELLANEOUS DEPARTMENT.

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 12th February 1951.

No. T. 11251. The modification to this office Notification No. T. 2138, dated 30th May 1950 as contained in the Notification No. T. 3105, dated 30th June 1950, is hereby withdrawn with immediate effect, with the following further modifications:—

The wholesale cloth dealers attached to Bangalore (including City Corporation) and Mysore Districts are hereby required to sell Bombay, Ahmedabad and Sholapur Mill goods up to a maximum extent of only 500 yards to a retail cloth dealer, in a month, only within the area or Taluk to which they are respectively attached in the two Districts on entry in the quota forms of the retailers concerned. Therefore, a retailer in the above Districts can purchase upto 500 yards of Bombay and Ahmedabad and other outside mill goods during a month from one or many Wholesale Dealers attached to his taluk or area.

In the remaining Districts of the State, the Wholesale Dealers are required to sell Bombay and Ahmedabad goods upto a maximum of only 300 yards to a retailer in a month, only in the area or the Taluk to which they are respectively attached, on entry in the quota forms of the retailers concerned. In other words a retailer in the remaining Districts can purchase up to a maximum of 300 yards of Bombay, Ahmedabad other outside Mill goods during a month from one or many wholesale dealers attached to his Taluk or area.

Whenever Seconds or Fents goods are allotted to Wholesale Cloth Dealers in the State in the ninth allotment of Bombay and Ahmedabad goods and 22nd allotment of local mills goods and onwards and until further orders, they are allowed to sell such goods either to the Licensed Readymade Dress Manufacturers or to the Licenced Retail Cloth Dealers concerned in the Taluk or area to which they are attached—subject to the quantitative restriction in force, on entry in the quota forms of the retailers. This concession does not apply to Binny Fents and Seconds and this variety should be sold on permits to be issued by this office in favour of Readymade Dress Manufacturers only.

Seconds goods sold should be within the quantitative restrictions imposed for the sale of Bombay and Ahmedabad and local Mills goods, to a retailer in a month, but Fents are allowed to be sold beyond the maximum limit of yardage admissible to a retailer concerned in a month.

Under no circumstances shall local Mills goods be sold beyond the Taluk or the area to which a Wholesale Dealer is attached. Nor can Bombay and Ahmedabad Mills goods be sold beyond the Taluk or the area to which a wholesale dealer is attached. Quantitative limit fixed for sale to a retailer in a month in either case should be strictly adhered to. In doing so, varieties of cloth allotted in each allotment to a Wholesale Dealer should be equitably distributed among the retailers concerned without any distinction, to ensure fair distribution of demand varieties of cloth, in particular, throughout the State.

Controller of Civil Supplies.
